### Additional Core Intervention

Dear Parents/Carers,

In order to support Year 11 students in achieving the best possible grades in their GCSE subjects, we will be providing additional core sessions for Maths and English after school.

**Maths intervention** will begin **Tuesday 14<sup>th</sup> September** and run between **14:45 – 16:00** and **English intervention** will begin **Wednesday 15<sup>th</sup> September** and run between **14:45 – 16:00**. These interventions will run at the same time each week until students sit their GCSE exams.

These sessions are **compulsory**, as they are essential in ensuring that your child achieves the best possible grades.

The sessions create a supportive and practical learning environment for students, providing access to resources and support to help students with their learning. At Q3 Academy Langley, we are supportive of our students' development, and expect students to utilise this time productively.

If you have any questions regarding the after school sessions, please contact Mr. Snell at the Academy.

Yours Faithfully,

*DCSnell*
