Re: Flying with 8 AEF 20th July 2022

Dear Parent/Carer,

Your child has been selected to take part in Flying with **8 Air Experience Flight** based at RAF Cosford on **Wednesday 20th July 2022**. This will involve your child having a short flight with a very experienced instructor/pilot. During the flight they may have the opportunity to take control of the aircraft or do some basic aerobatics.

The length of the flight and what your child will do during it is very weather dependant. So much so, two flying slots were cancelled last year. We have 12 Cadets going this year, and with luck, every Cadet will get to fly.

Your child will be required to be at the Academy by **07:30** on **Wednesday 20th July 2022**. Our estimated return time will be **19:00**. If return time changes students will be given their phones to call or message home. Please arrange with students how you would like them to return home.

Students will travel by coach and there will be no cost involved for this trip. Two members of staff involved in Cadets (Miss Taylor and Mr. Amos) will accompany students on this visit.

Please ensure your child has a suitable breakfast before the arrival time, students may also bring snacks with them should they wish. They will receive a packed lunch in place of their normal Family Lunch. In addition, please ensure your child is in full CCF uniform (CS95/Green Uniform) boots and beret.

Please complete the attached consent forms and return to Miss Williamson by Thursday 14th July. If your child suffers from specific medical conditions stated in ACO Av Med Form 1, a **F6424** (available on request) needs completing by your GP. It is hoped that you can get a Doctor's appointment to get the forms signed in the good time, enabling them to fly.

If you have any questions please visit the website www.8aef.org, or contact Miss Williamson at the Academy.

Yours Faithfully,

Miss C Williamson
