Find an image of an animal or draw one of your own pets on an A4 page. Sketch out the main shapes but you don't need to put any details into the drawing at this stage.

Task 2

Gather magazines, newspapers and junk mail. Cut out all the different colours, textures and patterns that you can find. Tear or cut small pieces that are roughly 2cm's in size or smaller and stick them down. Fill the page with the collage pieces making sure it is completely full with no white bits showing.
