

Below are your tasks for the next seven days in the subject listed above.

Present New Information:

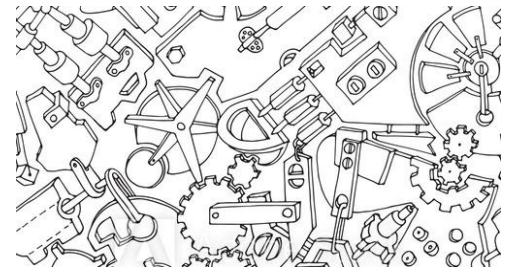

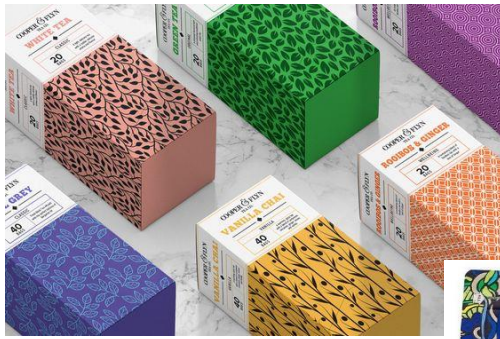

- Turn an old pizza box inside out or find an old cardboard box from the recycling.

Apply:

- Decorate the surface with an elaborate pattern, perhaps reflecting the previous contents of the box, what you intend to put in it now or things that you are interested in e.g. create an art or music box or design it for your favourite sports team.
- Draw different motifs that you can repeat many times to create a pattern.
- You could even create your own box using some thick paper or card. Use the templates attached to help with this.
- Be creative, think outside of the box!

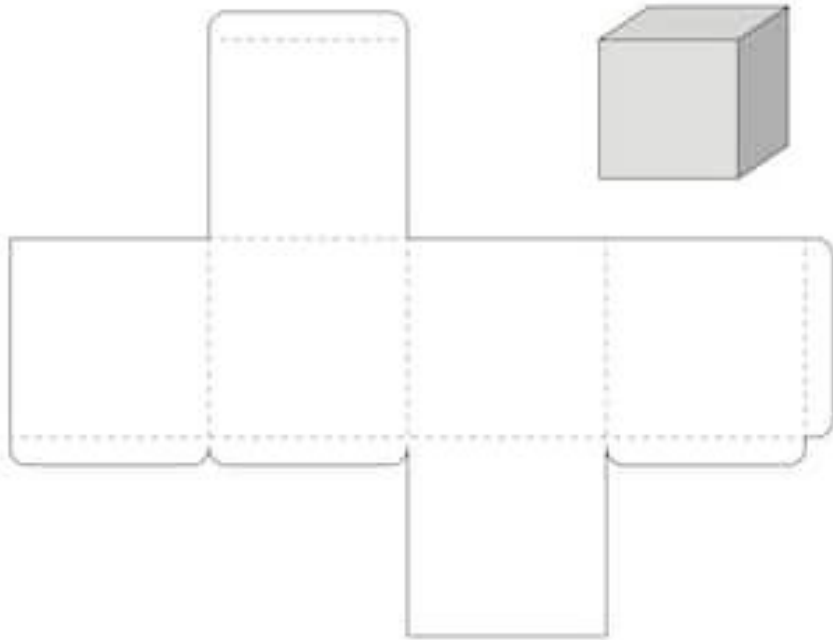

New Information 1

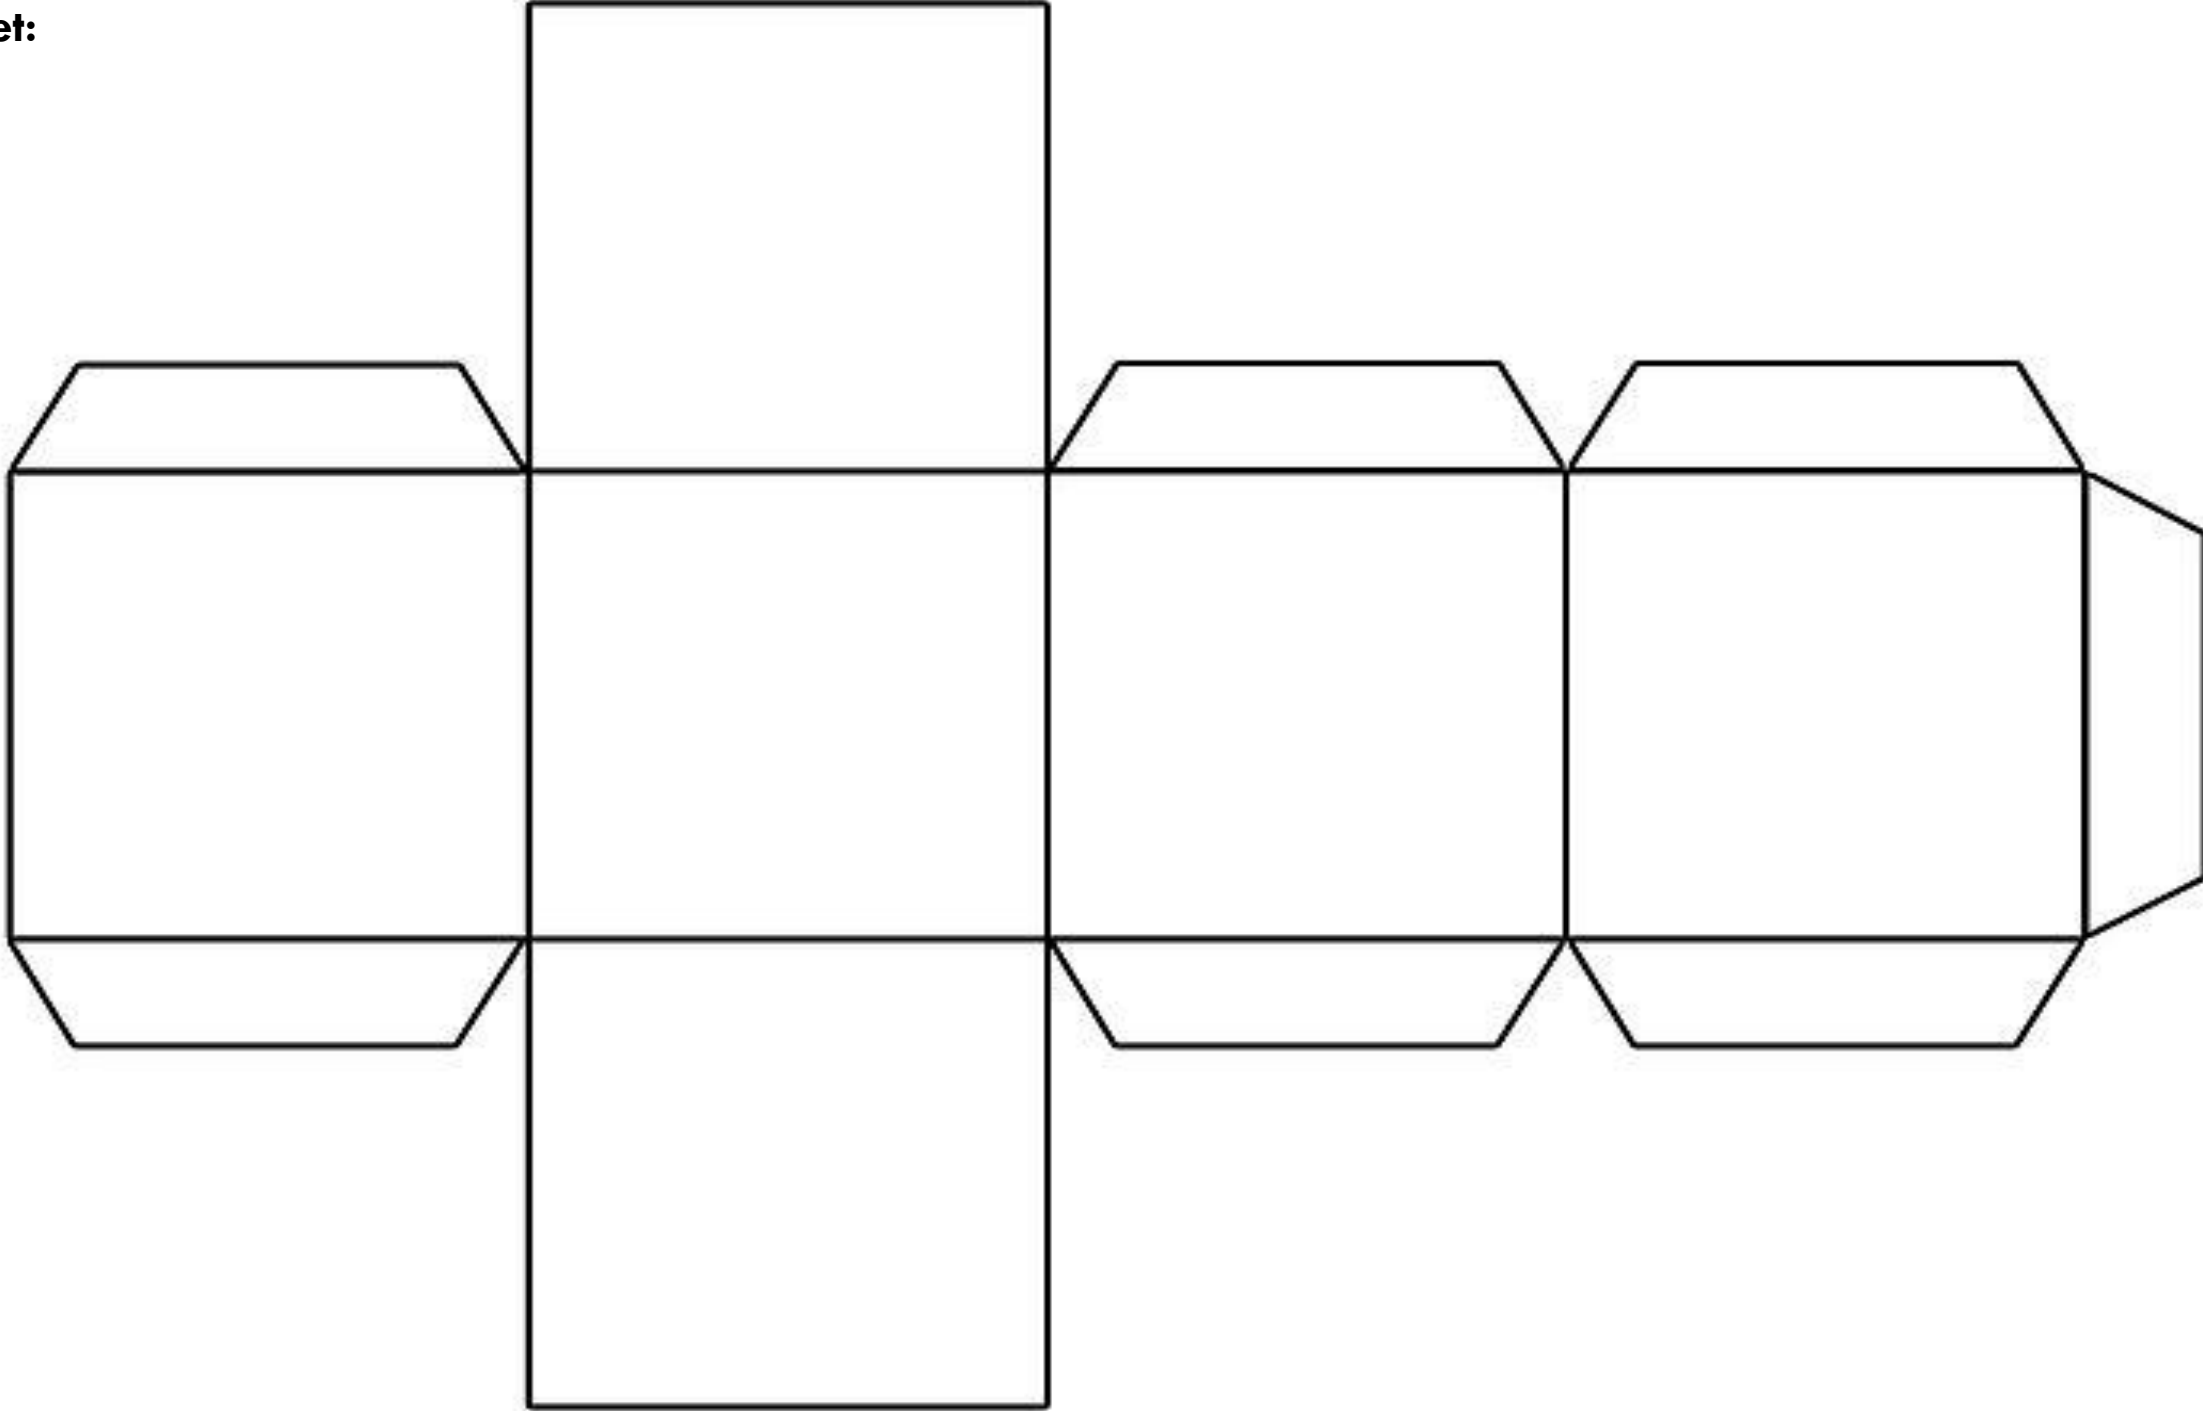

New Information 2

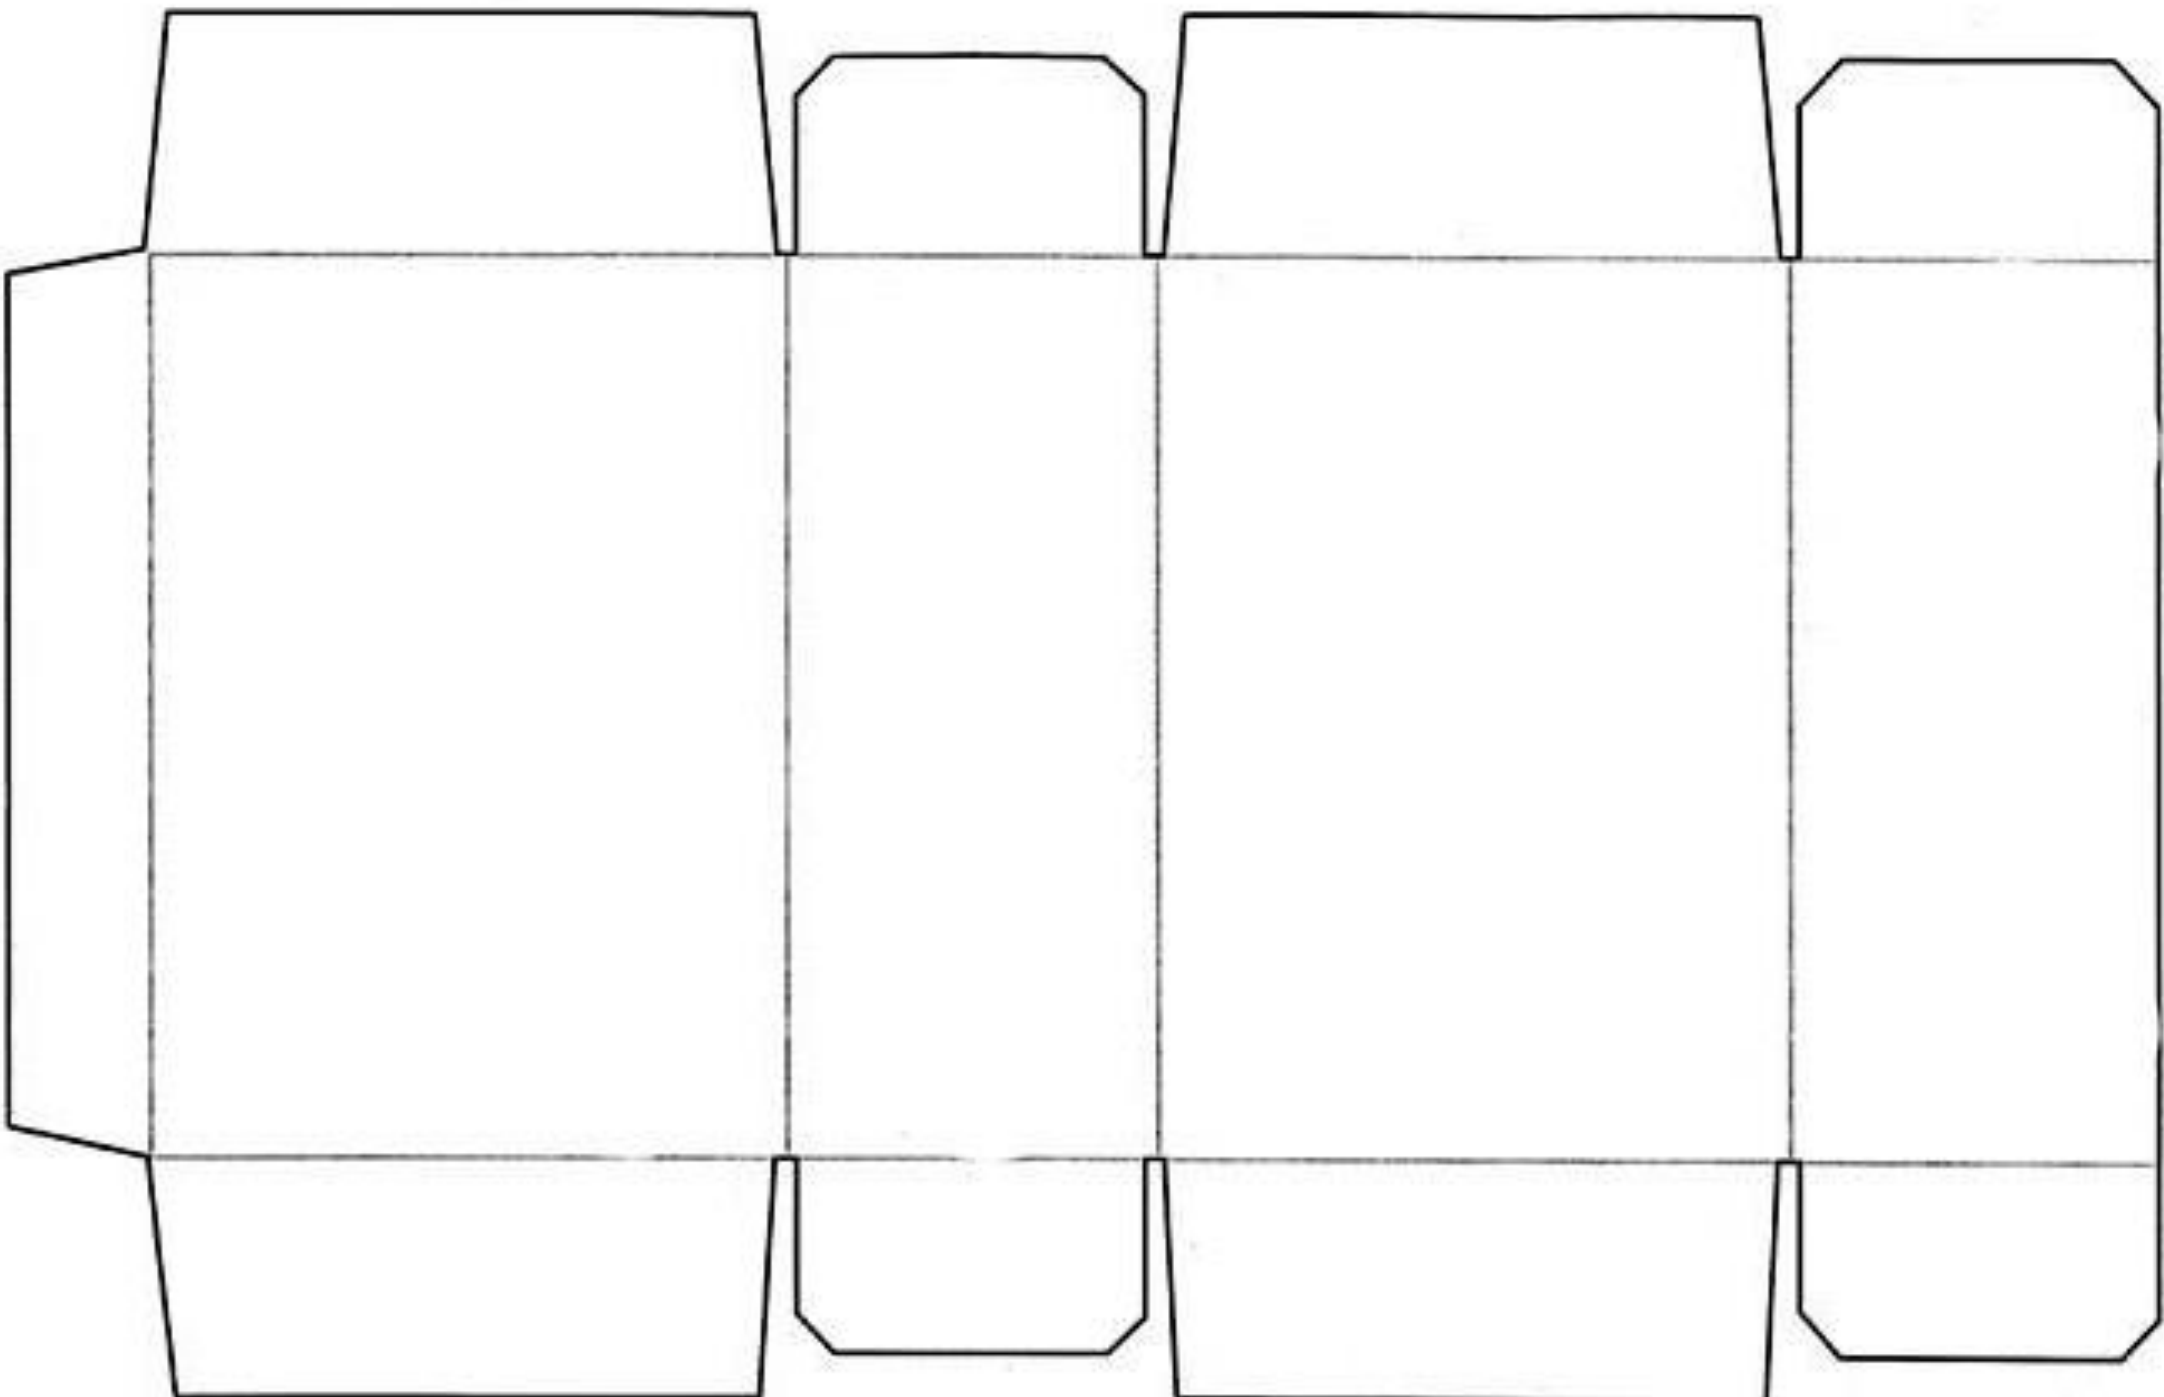

Packaging starts life as a flat net which is cut out, folded and glued to form the packet like the simple net for a cube seen below:

Cube Net:

Cuboid Net:

Pyramid Net:
