

Below are your tasks for the next seven days in the subject listed above.

Present New Information:

- This week we will be looking at Ethics. Some argue that operating ethically is essential for business success whilst others think that operating ethically interferes with profit. This lesson you will study what it means to be ethical and why businesses choose ethical policies.
- You will be given various links this lesson, these will help you decide how important ethics is.

Definition:

Ethics are a moral code of conduct, to be ethical means to do what is right.
