

During the time of the Academy closure, the English Department have worked to ensure that you can keep reading at home, and you can even take Accelerated Reader quizzes at home too, something we have never done before. Research and data shows that the more quizzes completed (80% correct answers is a pass) by students, the higher their Reading Age, and Reading Age Growth. So, get reading, and quizzing!

Accessing Accelerated Reader (AR):

Please do not type in 'Accelerated Reader' in a search, as it will not take you here!

- Visit – **tiny.cc/q3ar** – this takes you to our unique site;
- Type in the username you use for computers at the Academy;
- Type your password – **ABC** – not your logon for the computer;
- Click on 'Accelerated Reader';
- Type in the title of the book you have read;
- Find and take the quiz!

It is essential that students are not supported in the quiz by others.
