Why use GCSEPod?

Quick Start Guide

- 1) Go to www.gcsepod.com and click "Login"
- 2) Click "New to GCSEPod? Get Started!" and select "Student"
- 3) Enter your name, date of birth and type in the name of your school. The school's name should appear. Click on it to confirm.
- 4) Create a username and password. Make sure you write this down somewhere and be aware that all staff will be able to see your username.

**If you're having trouble finding your school, double check that you've entered the correct date of birth and full name as it appears on the school's register. Some schools are known by a shorter version of their name so make sure you are typing the full, official school name. After this if you are still struggling then email Ms. Jones: vjones@g3langley.org.uk*
