Our sports-themed personal development services are designed to bring out the best in young people by providing them with high-quality sessions, mentoring, and guidance.

However, we're more than just sport. Our mentoring and personal development services give every young person, regardless of sports preference, the opportunity to make a positive change in their lives.

MENTORING

One-to-one mentoring either in school or in the community to develop your employability and key life skills.

TRAINING

Gain qualifications, work with employers to develop your interview technique and take part in our social action projects.

SPORT

Structured sports sessions, tournaments, female-only sessions and community sessions.

Throughout the year **Sandwell Parents for Disabled Children** provide a range of activities to enable children and young people with disabilities along with family members to have fun together, make friends and create positive memories whilst taking part in a variety of exciting and sometimes challenging opportunities.

SPDC like to see parent carers also having a break and thanks to National Lottery Community Fund can provide short sessions such as advice & well-being sessions, social events, pamper treatments and craft activities. We also offer individualised support to help with any challenges you may have in your caring role or life in general. These sessions usually happen whilst your children are engaged in activities or during school hours.

If you would like to receive more information, please email info@sp-dc.org or call 0121 565 2410.

Exciting Summer Holiday News!!

Fantastic Journeys CIC and Wild Lives Forest School presents INCLUSIVE WILD PLAY

Join our SEN and forest school practitioners for interactive storytelling and forest play in Warley Woods.

Designed for children with additional needs and their families, these sessions will be full of music, movement and multi sensory delights. Each session will include a magical, interactive story that will delight both adults and children.

Inclusive Wild Play in Warley Woods

Inspired by the natural environment, we will use natural materials to play, create and explore. Take the opportunity to relax in our hammocks, hunt for bugs or build a den. Make mud pies and memories! Feel a sense of community and connection as our adventures bring us together around the campfire to share food and time together.

These sessions are funded by Sandwell Council and are for children with Additional Needs and their siblings. The children must be living in Sandwell or attending a Sandwell school - dates and times for the sessions can be found by following this link: <https://bookwhen.com/inclusivewildplay>

These sessions are free to attend thanks to funding from Sandwell Council's Holiday Activities and Food (HAF) programme. **In order to join this session you will need to register your children with Sandwell Council Go Play. Please follow the link below and complete the form for each child attending**
<https://app.upshot.org.uk/signup/62b2ae22/>

We envisage two slightly different sessions based on the needs of the children. Generally speaking our morning sessions (10am - 12pm) will be for children with higher/more complex needs. For example, maybe the child has not yet developed spoken language, has more than one disability, needs a lot of help to access the activities or prefers a quieter session. The afternoon sessions (1pm - 3pm) are for more able children who can use spoken language and are able to take part without lots of extra support and are happy with a bit of noise! Please get in touch at fantasticjourneyscic@gmail.com if you aren't sure which session is best and we can help you decide.

During the sessions, we encourage adults to join in the play and take some time to connect with other local parents/carers and enjoy the benefits of spending some time together outdoors in nature. **These sessions will take place in Warley Woods on our birch tree forest school site, near to the bridge at the bottom of the main path, just before the meadow. Please see the map in the event attachments for how to find us.**

Forest School takes place in all weathers, throughout the seasons. Especially during the colder months please ensure you have plenty of layers of clothing to keep you and your children warm and dry. You can always take layers off if you get too warm. We recommend wellies or waterproof walking boots with warm socks, a waterproof top layer, and long sleeves and trousers all year round to help protect from scratches, stings, sunburn and bites.

Expect your children to get muddy and dirty – we want them to be free to explore and get the full sensory experience at forest school - plus research has shown that playing in mud makes us feel calmer and more relaxed! We will provide a drink and snack but please feel free to bring your own as well to keep those hungry tummies happy.

We have hand washing facilities on site and ask that everyone washes their hands on the way into and out of the site and before eating. There are also hand washing facilities, toilets and a baby change in the Warley Woods pavilion – please do try to remove as much mud from boots before going inside. There's a ramp available to enable access into the pavilion, please ask in the shop and a member of staff will arrange that for you. Coffees and food are available from the cafe in the pavilion and The Happy Coffee Man is usually in Warley Woods, on the main path by the Abbey Road entrance.

Sandwell has a jam-packed exciting programme full of brilliant activities for children this summer! There really is something for everyone, from holiday clubs to days out, sports, drama, arts and crafts, music and much, much more. This summer you and your child can choose how you spend your time with a pick and mix menu of activities.

Let's make the most of this summer, have fun, make new friends and make some brilliant memories that will last a lifetime.

Come on, get involved and Start booking! To take part in this great offer, the first thing you need to do is register each of your children via our website. It's a short, simple form that will only take a couple of minutes to complete. If you have already registered, brilliant! You won't need to do this again. Just go to <https://app.upshot.org.uk/signup/62b2ae22/> to register.

Secondly throughout July and August you can go onto the website, search for activities your child is interested in and get booking!

Go Play Sandwell Summer Roadshow

Following on from the success of our Winter Wonderland roadshow, we've decided to do it all over again, but (hopefully) in warmer temperatures!

The Go Play team are working together to bring you a fun filled afternoon in each town with activities including:

An inflatable zone,
Commonwealth Games themed sports, fantastic arts & crafts

Each session will run from **12pm-4pm**

If you'd like more information about a specific leg of the roadshow, **please contact the appropriate person from the flyer.**

WE LOOK FORWARD TO SEEING YOU THERE!

Play Day 2022 - Playday is the national day for play, traditionally held on the first Wednesday in August. As well as an annual celebration of children's right to play, Playday is a campaign that highlights the importance of play in children's lives. Playday is coordinated by Play England, Play Wales, Play Scotland and Play Board Northern Ireland.

This year Sandwell's play service Go Play are celebrating National Play Day at Sandwell Valley Park Farm with our biggest event ever. We will also be celebrating the life of our colleague Hazera Zehora who sadly passed away this year, Hazera was a play worker in Sandwell for over 20 years so it seems fitting that we remember her together and play together.

Join us to have a go at: Circus skills workshops, Giant Bubbles sessions, Make your own Olympic Trophies and Medals, Inflatable Games, Traditional Family Games, Dhol Drumming Workshops, Puppet Making workshops and our huge play day parade led by Autin Dance and Theatre Company with Out of the Deep Blue (Out of the Blue is an outdoor puppetry and dance show. Five puppeteers, one dancer and a 13-foot-tall puppet called EKO).

Why not join us? No need to book, no need to register just turn up on the day. Bring the family, bring a picnic, bring the sunshine – see you there!

The National Day for Play

Playday is the national day for play in the UK, held on the first Wednesday in August.

As well as a celebration of children's right to play, Playday is a campaign that highlights the importance of play in children's lives.
