**Year 11 GCSE Examinations**

Dear Parents and Carers,

Attached to this correspondence is an overview of the timings for students during this year's exam season, which commences in earnest on Monday 16<sup>th</sup> May. Please pay close attention to details in this letter, as it covers:

- Timings for students on each day of exam season, including different start times based on daily exams;
- Information about end times, which vary based on the day given;
- An overview of the support delivered by specialist staff leading up to exams.

As you will see, attendance and punctuality is absolutely vital. With the first examinations held in two years, building back from the effects of the Covid pandemic and our commitment to our students and their academic success, we will not have the traditional 'study leave', in line with most schools across the country. We hope to have your unwavering support during this season, as students undertake examinations which can shape the rest of their lives.

If you have any questions or queries about the details overleaf, please contact PLD for Year 11, Mr. Snell – [DSnell@q3langley.org.uk](mailto:DSnell@q3langley.org.uk).

Yours Faithfully,

Mr. Mills

Vice Principal
