

### **Q3 Academy Langley Assessment Record**

Subject: **OCR Cambridge National Sports Studies**

Subject Code: J813

<b>Date of Assessment</b>	<b>Type of Assessment</b>	<b>LOs covered</b>	<b>Rationale for Assessment</b>	<b>Level of Control</b>
September 2019 – January 2020	Practical Assessment: Developing Sports Skills	LO1, 2, 3	Assessment covered RO52 Developing Sports Skills (LO1, LO2 and LO3) where students were able to demonstrate their practical ability in an individual sport, a team sport and while officiating a sport.	Medium – the practical performances were completed over the entirety of the year in low-level/unsupervised conditions. Due to the nature of this activity, levels of performance were evident and witness statements conducted.
October 2019	Variable Prediction based upon: Developing Sports Skills Classwork Homework	LO4	Assessment covered RO52 Developing Sports Skills where students were able to apply practice methods to support improvements in a sporting activity. The assessment was marked using the mark scheme from OCR. Grade boundaries were generated using national grade boundaries as a guide. Moderation of assessments took place within the P.E department, of which some members are OCR examiners. Classwork and homework considered, but most of the grade weighting was assessment-based.	Medium - the coursework was completed under strict exam conditions, but classwork and homework done in low-level/ unsupervised conditions. Students with access arrangements were given the required arrangements including readers, scribes, extra time, coloured paper and laptop use.
February 2020	Variable Prediction based upon: Sports Leadership Classwork Homework	LO1, 2, 3, 4	Assessment covered all elements of RO53 Sports Leadership. The assessment was marked using the mark scheme from OCR. Grade boundaries were generated using national grade boundaries as a guide. Moderation of assessments took place within the P.E department, of which some members are OCR examiners. Classwork and homework considered, but most of the grade weighting was based was assessment- based.	Medium - the assessment was completed under strict exam conditions, but done in low-level/ unsupervised conditions. Students with access arrangements were given the required arrangements including readers, scribes, extra time, coloured paper and laptop use.

October 2020	Variable Prediction based upon: Contemporary Issues in Sport Classwork Homework	LO1, 2, 3, 4	Assessments covered all elements RO51 Contemporary Issues in Sport. The assessment was marked using the mark scheme from OCR. Grade boundaries were generated using national grade boundaries as a guide. Moderation of assessments took place within the P.E department, of which some members are OCR examiners.	Medium - The assessment was completed under strict exam conditions, but classwork and homework done in low-level/ unsupervised conditions. Students with access arrangements were given the required arrangements including readers, scribes, extra time, coloured paper and laptop use.
December 2020	Mock Paper: Contemporary Issues in Sport	LO1, 2, 3, 4	Assessments covered all elements of RO51 Contemporary Issues in Sport. The assessment was marked using the mark scheme from OCR. Grade boundaries were generated using national grade boundaries as a guide. Moderation of assessments took place within the P.E department, of which some members are OCR examiners.
