11th February 2019

KS4 Pathway

Dear Parents/Carers of (STUDENT NAME),

Based on conversations with (STUDENT'S NAME), looking at assessment data and taking into account independent learning and classwork, your child has been put on Pathway 1.

This means they will be studying the following subjects:

- GCSE Maths (with the option to take GCSE Further Maths);
- GCSE English Language;
- GCSE English Literature;
- GCSE Biology;
- GCSE Chemistry;
- GCSE Physics;
- GCSE Geography or History;
- GCSE French;
- 2 other KS4 options as outlined in the KS4 Pathways Booklet.

Due to the additional content required for single Sciences, students on this Pathway will be required to stay for an additional 100-minute lesson per week. This will be part of (STUDENT'S NAME) timetable and is not an optional session.

I look forward to seeing you at the KS4 Pathways Event on Thursday 7th March from 16:30 – 19:00 where you can get additional advice, information and guidance to help inform option choices for (STUDENT'S NAME).

Option forms will be given to students on Thursday 7th March and will need to be returned by Thursday 14th March. If you have any questions, please feel free to contact me.

Yours Faithfully,

Mr C Mills
Assistant Vice Principal
