Below are your tasks for the next seven days in the subject listed above.

Present New Information:

• Now you have completed your theatre review in full.

• This week you should create the set design for Macbeth (or another play you have completed your theatre review on).

• Next week you will be labelling your design with the reasons behind your choices.

Apply: Complete the activities on the following slides. You can complete this task on a word document, or publisher or on a piece of paper. Be as creative as you can, get as much colour or materials in to your work.

Please date your work and title with “Year 9 Drama WC 06.07.20” – this will help you to keep your work organised!

| 2    | Create a set design for your chosen play. This should be in the format of the template on the next slide. You must make sure you include:  
  - A backdrop  
  - Set and props on stage  
  - Lighting  
  - Sound effects  
  - Costume design  

  Bonus task: Create a 3D version of your design. (A cardboard box in great for this) | See the ‘Task 2’ slide for examples of how to complete your design.  
Use this link to help you with ideas on how to create your own theatre design:
