Below are your tasks for the next seven days in the subject listed above.

Present New Information:

• Now you have completed your theatre review in full.

• Last week you should have created the set design for Macbeth (or another play you have completed your theatre review on).

• This week you will be labelling your design with the reasons behind your choices.

Apply: Complete the activities on the following slides. You can complete this task on a word document, or publisher or on a piece of paper. Be as creative as you can, get as much colour or materials in to your work.

Please date your work and title with “Year 9 Drama WC 13.07.20” – this will help you to keep your work organised!

| 1    | Reflect on the set design you created last week.  
  - A backdrop  
  - Set and props on stage  
  - Lighting  
  - Sound effects  
  - Costume design | Why did you make the choices you did?  
  What do the colours represent?  
  Is it naturalistic or non-naturalistic? | 10 minutes |
| 2    | Now you should analyze and label your set design. You could stick your design on a larger piece of a paper and then explain why you made the choices you did.  
  This part is really important to your set design as it will show the reasons behind your choices. | See the slide 3 and 4 for examples on how to label your design. | 50 minutes |
