Summer Challenge 2021

Dear Student,

Welcome to the Q3 Academy Langley Summer Challenge! The purpose of this booklet is to give you an opportunity to continue your Pursuit of Excellence (one of Q3 Academy's core ideals) and complete a range of tasks whilst the country continues to respond to the Covid-19 situation.

As we are living through unique times, we really encourage all students to take this challenge seriously and produce something that, in effect, could become an historical artefact in the years (and perhaps even centuries) to come!

The Summer Challenge this year continues with a twist – PLD Challenges. Each of your PLDs have set you FOUR PLD Challenges. **You must complete four Core Pastoral Challenges, you can complete Challenges from other year groups if you wish. The Summer Challenge is due in after the Summer holidays when you return in September.** You can send your completed Pastoral activities through to your new Tutor or your new PLD via email. We look forward to seeing how you approach your Summer Challenge.

At Q3 Academy, we have an ethos that runs through everything that we do. The letter 'Q' in our name represents the Latin word 'Quaerere' – meaning 'seek after' or 'search for.'

The name Q3 represents three high ideals:

- To seek for that which is good;
- To seek for that which is right;
- To seek for that which is true.

As a result, the tasks in this booklet are designed to be completed in the confines of your own home, and to ensure you continue to support your studies during this enforced break from the Academy.

Parents/carers – we would like to ask that you monitor your child's progress, sign when tasks are completed and support your child in any way possible – our Pursuit of Excellence is a group effort, and we are stronger together.

Kind Regards,

A handwritten signature in black ink, appearing to read 'P.J. Lee'.
