Cloud 9 Creative Arts: Performing Arts 2021 - 2022

Assessment Cycle	Topic/Unit Title – Big Questions	Rationale/Skill Development	Link to Assessment Objectives/Progression Scales Skills
<b>Drama 1 and 2</b>	Introduction to Performing Arts “How do we unlock our creativity?”	<i>Students will explore the production process through their chosen drama and explore ideas for performance. They will create a pitch presentation using the assessment components of research; idea development; planning and presentation.</i>	Assessment Objective 1: Demonstrate knowledge and understanding of the content. Assessment Objective 2: Demonstrate skills by applying knowledge and understanding to practical activities.
<b>Drama 3 and 4</b>	“From page to stage” “How do we work as an effective production company?”	<i>Students will also begin to gain knowledge and understanding of the Performing Arts Industry and be able to make judgements on the impact it has on society today.</i>	Assessment Objective 3: Analyse and evaluate performance, data and information and draw conclusions.
