Re: Year 9 Girls STEM Visit to the University of Birmingham

Dear Parents/Carers,

We have an exciting opportunity for a selected group of students to visit the University of Birmingham on Wednesday 14th September 2022. The university will be hosting a 'Girls in STEM (Science, Technology, Engineering and Maths) Day', where students will take part in multiple workshops.

Coaches will leave the Academy at 08:45 and return by 15:00. Students will be provided with a vegetarian packed lunch (students with specific dietary needs will have an appropriate alternative packed lunch). There is no cost to students for the visit.

Students will need to wear their full Academy Business Dress as there will be minimal time outside. However, we would advise that students bring their Q3 coat to ensure they are warm.

Please complete the attached permission form **by no later than Monday 12th September**, as without this; your child will be unable to attend.

If you have any further questions, please contact Mrs. Cooper at the Academy.

Yours Faithfully,

Mrs. R Cooper
Curriculum Director for Science
