### **GCSE Citizenship – Revision Flashcards App**

Dear Parent/Carer,

You have been made aware previously that your child will have the exciting opportunity to sit their GCSE Citizenship at the end of this academic year. As part of this, the academy are doing everything we can to ensure your child secures a strong grade in this subject. As always, we also rely on your support at home alongside this. Citizenship teachers have been clear in explaining to students what they need to be doing on a weekly basis as part of their ongoing revision. We are excited to announce another revision tool that your child can also access: the Q3 Flashcards App.

The academy have invested in creating a bespoke app for revising for GCSE Citizenship. It is imperative that your child logs onto this app using their home devices (e.g. phone, tablet or laptop) and uses this regularly. This app creates flashcards for students and tests them on their essential knowledge. It can also provide feedback to children on where they should best revise going forward.

The app is accessed via a website (see below). From there, it is possible to download it as a 'tile' on one's phone. Instructions on how to log onto the app are below. Should you have any questions about this, Mr Dale is available in 0-35 throughout all of Parent Consultation Evening 1 where he will be presenting to parents on how to support with GCSE Citizenship. You can also email Mr Dale or Mr Grainger regarding this if you miss this presentation.

#### **Login Information**

Name: «First\_Name», «Last\_Name»

Tutor: «Tutor\_Group»

Chief Executive: Mr Daniel Parkes BA (Hons), MA | Headteacher: Mr Peter Lee BA (Hons), M.Ed, PGCE, NPQH, NPQEL

### How to Login:

- Go to the website using any browser (website on previous page).
- Input the details (ID Number and Password, given on previous page).
- After first login, it will request for you to change your password. Remember this going forward.
- The app will then ask you which students you want to revise: select Citizenship only
- The home-page will then show your child areas they have performed well and areas to focus on.
- At the top of the page, there will be a button that says "Revise". Click this and it will bring up various options.
- If you then scroll-down to 'Sub-category', it will show various options for your child to click on.
- Your child should then recognise the various 'modules' and 'weeks' they have been studying in the academy and can click on them accordingly.
- For example, they could choose to revise 'Politics and Participation' which they've studied in Cycle 1. Or they could select various weeks (e.g. 1.1, 1.2) and revise the content for these.

It's important that children get logged in on the app and start using it regularly. After October half-term, this app will be used as independent learning in lessons so we want students to be proactive and explore the app before this point. This will be tracked by Mr Dale, Mr Grainger and Miss Rea (Head of Year). There are rewards for those that engage the most and answer the most questions on the app. Again, I really appreciate your support.

If you have any questions, please contact me below.

Yours faithfully,

**Mr R Dale**  
**Assistant Headteacher**
