Re: Year 9 - Local Fieldwork - How is Langley a Dynamic Place?

Dear Parents/Carers,

In Week 8 (commencing Monday 2nd November 2026), your child will be taking part in local fieldwork close to the school site on Moat Road. This will involve students completing a range of geographical fieldwork activities as part of the 'Dynamic Places' Big Question studied in Cycle 1. The schedule below outlines when your child will be undertaking this fieldwork:

Wednesday 4th November - **9G/Gg** (Period 1 - Mrs Gandy)

Thursday 5th November - **9N/Gg** (Period 3 - Mrs Gandy)

Friday 6th November - **9A/Gg** (Period 1 - Mrs Gandy)

Friday 6th November - **9L/Gg** (Period 2 - Mrs Gandy)

Friday 6th November - **9E/Gg** (Period 3 - Miss Khera)

Students will be off-site for approximately 30 minutes during their usual Geography lesson. They do not need to wear P.E. kit, and there is no cost associated with this trip. Students will be supervised by their class teacher at all times.

As students will be leaving the school grounds, we require a consent and medical form to be completed. Please ensure this is returned to your child's class teacher no later than **Friday 16th October**, as without it, your child will be unable to participate. If any medical issues arise after the form has been submitted, please contact the Academy immediately.

If you have any questions, please contact Mrs Anderson at the Academy.

Yours faithfully,

A handwritten signature in black ink that reads 'Anderson'.
